

Skoda Octavia Estate 2005-2010 – our ref H0394

RAISED or LOW FLOOR?

RAISED floor

The “Variable Floor” is in situ and the folding floor closed – NOT OPEN as shown in the photo below

“Variable Floor”

Raised middle section and
2 recessed pockets

Please note you will not be able to utilise the storage facility under the false floor once the Boot Liner is fitted)

LOW floor

This does NOT have a Variable floor – so the boot is deeper

All one level floor

NO recessed pockets

Photo shows a rear plus Boot liner with an additional Bumper flap
