

## Nissan X Trail 2007 – 2014 Our ref H0434

*We can accommodate two Nissan Dog Guards. Please use this document to identify the Style you require.*

### DOG GUARD Style A

### NISSAN DOG GUARD "Style A"

The original 2007 Nissan Dog Guard has a bracket that attaches to the "D" Rings located on the Wheel Arch close to the boot floor.

IF YOU SELECT "Style A" we will tailor openings in the Boot Liner that will allow the Dog Guard to be fitted through the Boot Liner.

### DOG GUARD Style B

### NISSAN DOG GUARD "Style B"

A revised version of the original Nissan Dog Guard has brackets on each side that attach to the Seat Upper Locking Plates.

IF YOU SELECT "Style B" we will tailor openings in the Boot Liner that will allow the Dog Guard to be fitted through the Boot Liner.
