

MINI CLUBMAN 2007-2015 – Our Ref: H0453

Two variations available for the MINI CLUBMAN
Please take some time to consider which of the two most suits your requirements.

H0453-FRSD

VARIABLE FLOOR RAISED

Mini refer to it as a
“Flat Load Boot Floor”

The floor sits flush to the tailgate plate

False floor folded up

You **cannot** remove the false floor and re-fit your Boot liner.

H0453-FOUT

VARIABLE FLOOR REMOVED

Either you do not have this optional extra OR you have removed it and stored it elsewhere.

Floor sits lower than the tailgate plate

See how floor sits lower down.

You **cannot** replace the false floor when the Bootliner is fitted.

The 6 **floor** chrome Tie Down Hooks are accessible with this version.
