

# Mercedes Benz C Class Estate – 2008 to 2014

Our ref: H0473

## Question 1 – Model Identification Guide

### H0473 – LCIN

AVAILABLE

Load cover cassette in  
Must be installed at all times

#### IMPORTANT ATTENTION

##### Optional Extra ; Rear Seat Flap

Suits only a Rear Plus or Rear Split boot liner

The Seat flap can only be used to extend the coverage of the boot liner when the rear seats are folded

### H0473 – LCOU

AVAILABLE

Does not accommodate  
the load cover cassette

#### IMPORTANT ATTENTION

##### Optional Extra ; Rear Seat Flap

The flap has two functions;

1. To protect the top of your rear seat from the likes of drooling dogs. However the vehicle has tall headrests and your rear view will be restricted. If your headrests are removable you can modify the rear seat flap to allow it to fit underneath the headrests.

2. To extend the coverage of the boot liner when the rear seats are folded (only when you order a Rear Plus or Rear Split boot liner)
