

Peugeot 308SW (Sport + SE) – 2008 – 2014 (OUR REF: H0487)

We have two versions available for your vehicle; please consider the following points carefully

HIGH Sides

HIGH SIDES

- Offers maximum coverage to the sides of the boot.
- Sides attach to the carpet and the plastic, see fitting instructions below.
- You can NOT replace the load cover cassette once the Bootliner is fitted.

STANDARD Sides

STANDARD SIDES

- Covers the carpeted area of the boot.
- You CAN replace the load cover cassette once the Bootliner is fitted.

PLEASE NOTE: the above 2 photos are NOT the actual model BUT illustrate the side height corresponds with the carpet height.
