

MERCEDES GLE 4x4 2015 to 2019 our ref: H0548 4x4

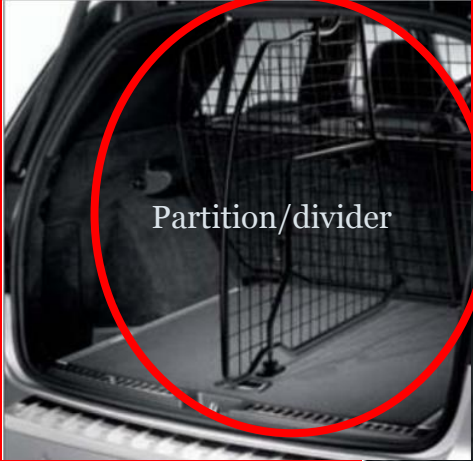

Please take time to thoroughly read this document so that you can be sure our Boot Liner suits your vehicle spec.

- Vehicle **must have** the seat belt tidy and 2 hooks on both nearside + offside
- Only suits a Load Cover **WITHOUT** a partition net

Please phone us to discuss if your vehicle does not meet this specification, Or should you have any of the items highlighted in this red box →

DOES NOT SUIT:

Partition/divider

Moulded Protrusion

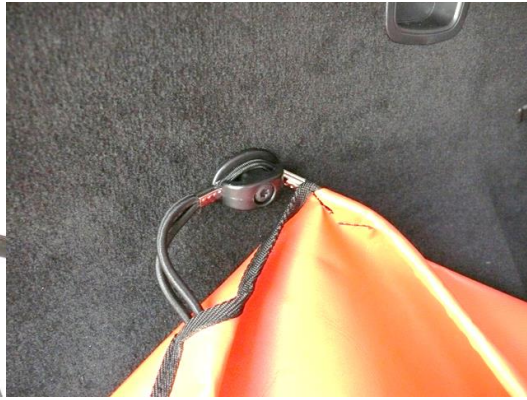

Rails + telescopic frame

LOAD COVER WITH Partition Net

Side fixed to rear seat belt tidy

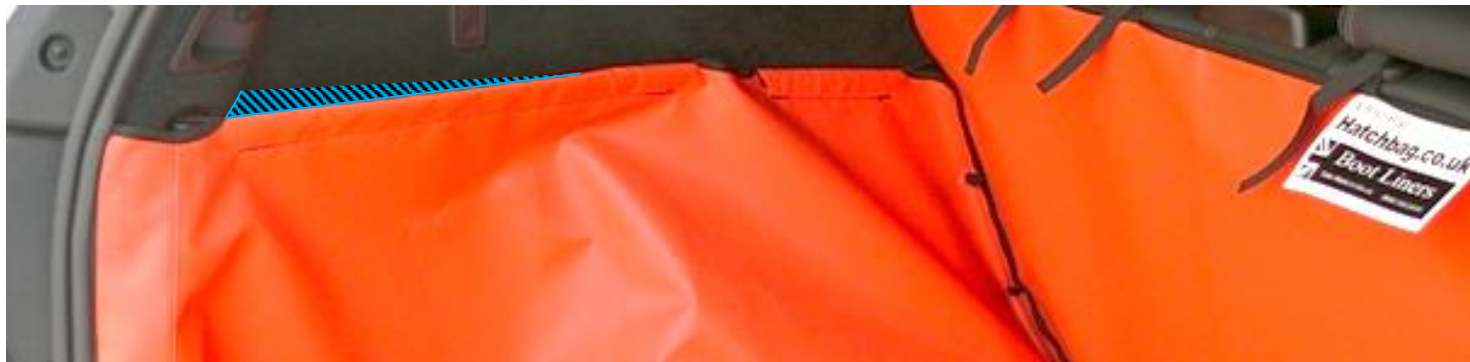

Side fixed to middle hook

Side fixed to tailgate end hook

Fitting of side completed

ATTENTION

The carpeted area highlighted in green will not be covered with by the boot liner

The area highlighted in blue shows there will be a gap between the boot liner and the car boot wall, dust may fall into this opening

We are sorry for this inconvenience.
